

Parents as Partners

Here at Little Bo Peep Pre-School, we pride ourselves on having successful parent partnerships and welcoming parents into Pre-School life. Our valued key person approach is at the heart of this. We believe that positive relationships with our parents are a vital aspect of successfully caring for and supporting young children. We have an open-door policy, welcoming parents to join us in all aspects of Pre-School life. We invite parents to join us in our 'stay and play' events, Pre-School parties and special occasions such as our Support of 'The Grace Kelly Childhood Cancer Trust. Along with daily access to your child's 'Tapestry profile' we also invite parents to discuss their child's learning and development at Pre-School. We encourage parents to share their learning at home through their tapestry account.

Keeping our parents informed and up to date on all developments within Pre-School is vital to us. We do this through regular newsletters and email communications. We also use our website and Facebook accounts to share information, upcoming events and news with prospective and existing families.

We pride ourselves on being approachable and always having time to listen and respond to parent's comments and suggestions. At Little Bo Peep we believe that we provide outstanding care by forming a relationship with the whole family, not just the child.
