

July 2023 - Nursery Newsletter

Hey Dee Ho Music

On Monday 17th July, we have a company called Hey Dee Ho Music coming to visit us. They are originally from Australia and are hoping to branch out into the UK. They provide educational services for Early Years. They will be spending 30 minutes with each room/age group!

We are hoping this is something we will be able to carry on in the near future but as they are just setting up in the UK, and as I'm sure you can appreciate, this will be cost dependant.

I have attached an information leaflet for you to take a look at.

Staff Holidays

Some of you will already be aware, but staff holiday season has begun so please be mindful that it may not be the usual members of staff caring for your child. We are lucky enough that all staff have great relationships with all of our children so this doesn't affect them.

Staff will endeavour to let you know of their absence beforehand. That being said, Sarah is away on her honeymoon from Thursday 22nd June – Tuesday 4th July. Tina and Sophie are here as usual, should you have any queries.

Reminders

Sun cream and Sun Safety - [Sunscreen and sun safety - NHS \(www.nhs.uk\)](http://www.nhs.uk)

Please can we ask that **all** children are being dropped off at Nursery with suncream already applied. As you know, we already re-apply suncream after lunch which takes quite a lot of time. If it has already been applied in the morning, it means we can get outside sooner!

Please ensure you are labelling your child's hat and suncream if they have their own.

Calpol

I just wanted to remind you that we no longer accept children into nursery having had calpol that morning. This applies even for teething children.

Sickness bug

As most of you will know, we have recently had a bout of the sickness bug at both Nursery at Pre-School.

I know not all sickness is the 'bug' but if your child is sick during this bout, they are unable to return to Nursery for 48 hours, as our policy states;

'IN THE CASE OF SICKNESS AND DIARRHOEA THE CHILD SHOULD NOT RETURN TO NURSERY FOR 48 HOURS AFTER THE LAST BOUT OF SICKNESS OR DIARRHOEA'.

Blocking the drive

Can I ask parents to be aware of blocking the driveway during busier times of the day. The driveway is for staff members to park their cars and if this is blocked it can mean they are either late to starting their day or late going home.

Reviews

As I mentioned in my June's newsletter, I am keen to make more use of our Facebook page and asked our parents to kindly leave a review.

We have had a couple and if you do have time, would you mind leaving a review on either our Facebook page or Google should you prefer. Thank you!

Here is a link to our reviews section - [Little Bo Peep Nursery | Facebook](#)

If you have any queries, please get in touch - our phone number if you need to contact us is 01386 793102 or please email us on tina@littlebopeepnursery.com

Kind regards Tina, Sarah, Sophie and The Team
