

# January Fun Club 2024

Our Wintery Fun Club week starts on Tuesday 2<sup>nd</sup> January where we will be making Wintery Crafts. The children will have the opportunity to create fluffy polar bears and paper plate snow globes as well as sun catcher snow men!

Wednesday 3<sup>rd</sup> January is our Wintery STEM activities.

The STEM activities have proven really popular with our Fun Club children so are they up to the challenge this time around. We've got a snowman challenge as well as inviting the children to make their own snow using just 2 ingredients.

Thursday 4<sup>th</sup> January is our Wintery cookery day.

The children will be cooking up a storm making Easy cheesy garlic bread snowmen, oreo bear biscuits and we might even make a snowman to melt on top of our hot chocolate.

Friday 5<sup>th</sup> January is our Wintery physical activity day.

The children will be taking part in our Iceberg hop challenge as well as our Penguin waddle.

**Please ensure that your child has a snack and a lunch box on the day.  
If your child is staying after 3:30pm they will also require an  
afternoon snack. No nuts or nut containing products.**

**Many thanks**

**Claire, Toyah and team.**
