

Welcome to Little Bo Peep Nursery

Little Bo Peep Nursery is a relaxed and friendly home from home environment with experienced staff members to support our ever-growing number of children.

Our staff provide high quality care and teaching in a safe, secure, and stimulating environment and take pride in guiding the children to become well-rounded individuals who grow in independence and confidence throughout their early years and beyond.

Little Bo Peep originally started in 1995 as a childminding business in the house next door to our nursery, the business then became a nursery and relocated to our current location in 2000. Little Bo Peep has been running for more than 20 years serving the communities of Inkberrow and the surrounding areas.

The nursery is split into 3 rooms which are designed to stimulate and enhance the children's learning dependant on their age. We are fortunate to have lots of outdoor space for our children, aged 3 months to 3 years.

Set in the heart of the countryside, we are passionate about our children spending as much time outside as possible. We have our own outdoor area which we use for 'all weather' sessions, as well as making the most of our lovely village, going for walks and exploring our fabulous surroundings.
