Easter Holidays!!

Terms and conditions

Please note:

Bookings must be made via a signed form – if we do not receive the booking for we cannot guarantee a space.

Bookings must be paid for in advance

Any cancellations will still be charged unless we are able to fill the space this includes TED days.

Please be aware, if it is your child's first time at The Fun Club, or they have not been for over 6 months, you will need to fill out emergency contact forms, this may take a few minutes – please allow time for this when dropping your child off for the first time.

All the activities are voluntary and other types of play, games and fun stuff will be available at the same time....The program may be subject to change due to unforeseen circumstances. The Fun Club is a play setting, all activities are optional and the emphasis will be on free play. We are governed by the play principles and these underpin the services we offer. While the advertised activities will be freely available to all children attending, each child will be able to decide for themselves whether to participate. As practitioners we believe that children's play comes first and, while we will actively encourage children to participate in activities, we will not interrupt play to do so. Play can be messy, so please ensure children are dressed appropriately. We have a large outside area available to us and we try to use it most days. Depending on weather this can be muddy, so old shoes are recommended.. If your child brings any personal belongings or valuables, they do so at their own risk, We can take no responsibility for items at any time.

Please sign to say you understand and agree the terms and conditions. (on reverse)

We cannot accept booking without this form.
