Newsletter – June 2025

We hope you all have had a great May half term break and made lots of memories with your children. We only have 7 weeks left of this academic year before our pre-school children move on to big school! We have already been in contact with the schools that the children are going to and have transition visits planned. This year is certainly flying by! We have lots of learning opportunities already planned for the weeks ahead and of course also have our party and sports day too.

We would like to thank you for applying sun cream on your child prior to them coming in and ensuring they have sun hats. We will continue to top up the sun cream during the day when needed and ensure that the children have plenty of drinks throughout the day. They will have a cup of milk during the morning, and we will have a jug of water with cups readily available to them throughout the sessions. A gentle reminder that open toe sandals can cause your child to trip and fall, please ensure that they have appropriate footwear for playing outdoors.

End of Term

We have booked the Graduation for the 17th July, this will also include our sports day and end of year party all children are welcome to join us! The theme for the party this year is 'Garden Party' so if your child would like to dress up then they are more than welcome too, the staff are already planning their outfits! Timings for the day are approximately 10:00 am Sports Day, followed by Graduation for the pre-school children at 11:00 am and this will be followed by the party, which will finish at 2pm. We encourage parents and carers to stay and enjoy the sports day and graduation with us all, if your child does not usually do a Thursday session then they will need to be collected at the end of the party at 2pm.

Reminders

- Pre-school's last day of term is on Friday the 18th July.
- Fun Club will open Monday 21st July which will be at an additional cost unless you have funded hours remaining. We will be receiving the funding statement from Worcestershire County Council to determine who has additional funding to use through the summer holidays over the next few weeks. Tina or I will be in touch to let you know what hours you may have. The booking form and activity timetable for Fun Club will be sent out to you all shortly.
- Please label all your child's belongings to minimise items getting mixed up or lost.
- Thank you to the parents who are encouraging their children to leave them at the door and to take their own snacks and drinks in. Please continue to do this, as this will help with the transition into school.

As always if you have any questions then please just shout!

Have a lovely half term!

Claire, Toyah and the Team.
