

Newsletter – April 2026

Welcome back after the Easter break, we hope that you had a lovely few days with family and friends. We are now on to the last term of this academic year!

Planning for the next half term

This half term we are going to explore different aspects of our natural world and surroundings. We are hoping for good weather to allow us to spend lots of time in the garden investigating and learning. You will find attached our planned learning for the next 6 weeks and ideas that you may like to do at home to support your child's development and learning.

Easter Stay and Play

Thank you to everyone that attended our Easter Stay and Play event, it was fantastic to see lots of you there creating crafts with your children. We raised a super £39 from the raffle which has gone into the Grace Kelly Childhood Cancer Trust fund.

Dates for your Diary

- Pre-school will be closed on the bank holiday Monday, the 4th of May.
- Half term is from Monday 25th May to Friday 29th May and Fun Club will be running. If your child is term time only and you would like to book them in, please let us know. The schedule for the days can be found on the front door very soon. We return to usual pre-school on Monday 1st of June.
- Thursday the 16th July will be our Sports Day, Graduation for school leavers and party day! We will send out further details closer to the time regarding the timings of the day and the theme of our party. All children are invited to join us, and it would be great to see lots of family and friends attending the Sports Day during the morning too!

Reminders

- Please ensure your child is equipped for the pre-school day, with named spare clothes (including socks), water bottle and a fruit snack for morning snack. If your child stays for tea snack, please ensure this is provided too.
- Please ensure that your child comes prepared for the weather as we will still be spending time outdoors each day. We do have a big box of spare sun hats, but if you would like to provide one for your child, please ensure it is named. If you have given consent for your child to use our suncream then this will be provided, if you prefer to send in your own then please ensure it is named too.
- Please can we ask that your children do not bring in toys from home each day, as we find it difficult to ensure items do not get lost. We are supporting our older children to get school ready, and they will not be able to take items in to school each day. We do love to see their special items so we encourage you to add photos to Tapestry so they can share the photos with their friends.

As always if you have any questions then please let us know

Kind Regards

Claire, Toyah and the Team
