

## **Newsletter – June 2026**

Welcome back after the half term break, we hope that you had a lovely few days in the sun with family and friends!

### **Planning for the next half term**

This half term our learning will start with the first few weeks exploring Farms, Jungle/rainforest and under the sea animals. We then begin to look at different aspects of our community within Inkberrow and finish the remaining weeks with People who help us and different jobs. You will find an overview of the learning taking place for the next 7 weeks and ideas that you may like to do at home to extend on this.

### **Sports Day, Graduation and Party Day**

Thursday the 16<sup>th</sup> of July will be our Sports Day, Graduation for school leavers and party day! The morning will kick off with Sports Day for all children; parents are invited to come along at 10am to support and to participate! After sports day there will be refreshments down on the patio, followed by the school leavers graduation ceremony for parents to watch. We anticipate the time for the ceremony to be 11:30am. The children will then be able to join the pre-school staff for their end of year party! If your child does not usually attend a Thursday, then we ask for you to please collect your child at 2:30pm. The theme for the party this year is, 'When I grow up', your child can come dressed up as what they would like to be when they are older or can wear their party clothes!

### **Attendance Policy**

With the warmer weather finally upon us and holidays being booked, please can we remind you of our Attendance Policy. At Little Bo Peep we have a duty of care to follow up any absences which are not notified. Prolonged absences could result in a serious safeguarding concern. Please can we ask you to fill out the form attached for any holidays you have booked. If your child is absent during the day, then please notify us through phone or email.

## **Website**

Please check out our new updated website! You will be able to find information and booking forms for Holiday Club, the menu and latest information regarding funding and fees. There is also a link to our Supporting Families Offer which provides advice and guidance on family topics.

## **Transitions to School**

Over the next few weeks, we will be liaising with reception teachers for our school leavers. We will be inviting the teachers into our setting for the opportunity for them to get to know the children and for us to discuss their development. Key workers will be writing end of year reports which will be available on Tapestry, and a paper copy will be handed to you on Graduation Day.

The children that are staying with us will get a short report with an overview of their development, which will be available on Tapestry.
